DIY-INSTRUCTIONS · tonAtom #50 sleeve

making the most of the best

here's (approximately) what you need: a cutter, glue, and, of course, pages 4 & 5 from this PDF. Most of the job is fairly self-explanatory; should you have questions, feel free to contact us: info@tonatom.net.;-) Be aware that after you're done, you will get a pouch for two CDs. So you can burn one containing the whole work without gaps and another one in which you can skip the pieces in your player. Of course, you can burn just one CD if you wish; the choice is yours...
